

# Missouri LICA Demo Day & Fish Fry!

**Friday, July 20**

***In the field in Northwest Missouri***

## What's Planned:

On Friday morning, June 20, we'll meet out in the field (at the intersection of Highway Z and A - see directions below) to get on some equipment and try out Laser Specialists' SurvCE system. This is a cost-effective, user-friendly construction-grade GPS system which you can actually use in the field! With SurvCE, you can grade a channel or berm in real-time with GPS, record everything you do and either design your project right out in the field .. or take it back to the office for a rainy day project.

We will have two machines set up, so you will have a chance to operate the program and see for yourself how it works.

After the demo is over, we'll head back to Lance Construction in Savannah for a short business meeting, followed by a delicious fish fry and great party! So grab your family and a prospective member and join us for the Missouri LICA Demo Day and Fish Fry!

***Laser Specialists Inc***

*Specializing in the latest laser, survey, GPS and software products*

*Laser Specialists personnel will be on hand to answer your questions.*

## Schedule:

**10:00am to 4:00pm**

SurvCE Demo (lunch will be provided)

**6:00pm**

Fish Fry, Summer Meeting and Party!

***So we know how much food to buy, please RSVP to  
Jeff (816-387-3000) or Debbie (573-634-3001) by 5:00pm on July 17!***

**Directions:** *(the field is at the intersection of Highways A and Z, at the DeKalb/Gentry county line.)*

**From the North** - take I-35 to the Pattonsburg exit (exit 78); take Highway C west for 1/2 mile to Highway 69. Turn south on Highway 69 and go two miles to the intersection of Highways Z and 69. Go west on Highway Z (about 15 miles) to the intersection of Highway A and Z ... and look for the tent!

**From the Northwest** - take Highway 71 south to Highway 48. Turn east on Highway 48. At King City (about 20 miles), Highway 48 turns into Highway Z. Continue east on Highway Z (about 10 miles) to the intersection of Highways A and Z ... look for our tent!

**From the South** - take Highway 13 north to Highway 6 (at Gallatin). Take Highway 6 west to the intersection of Highways A and 6 (about 22 miles). Turn north on Highway A to the intersection of Highways Z and A (about 15 miles) - and look for our tent!

**From the East** - Take Highway 36 to Highway 33; about 12 miles west of Cameron. Take Highway 33 north. At Maysville (about 10 miles), Highway 33 becomes Highway A; continue on Highway A (about 15 miles) until you get to the intersection of Highways A and Z - and look for our tent!
